ABSTRACT

This library handbook is a guide for the anthropology student. It lists some of the more useful materials and reference books basic to general research, and gives their location in the Fogler Library at the University of Maine. Materials are listed in six categories: (1) general, including guides and literature surveys; (2) encyclopedias and dictionaries, both general and folkloric; (3) methodological and regional handbooks; (4) Human Relations Area Files (HRAF); (5) atlases; (6) indexes and abstracts; and (7) regional bibliographies. Some entries are annotated. (Author/AWP)
